Projects

Social Anxiety in Youth

August 2023

- Conducted a research project on social anxiety among youth, analyzing its causes, prevalence, and impact on academic, social, and emotional well being
- Collected, organized, and interpreted survey data using research methodologies to identify key trends and draw evidence-based conclusions.

Exploring the Geographical and Psychological Dimensions of PCOS/PCOD (Research Paper) Published in a Scopus Journal

October 2023

- Conducted interdisciplinary research on the geographical and psychological dimensions of PCOS/PCOD, integrating data analysis, literature review, and evidence based research methodologies.
- Analyzed demographic and psychological factors to identify regional trends and their impact on women's health, presenting findings through structured research and statistical interpretation

Community Development Project

April 2022

- Planned and executed a community development initiative by identifying local challenges, conducting field surveys, and proposing practical solutions.
- Collaborated effectively with team members to prepare project documentation, presentations, and implementation strategies, enhancing communication, leadership, and problem-solving skills.

Internships

Summer Intern – GIS & Remote Sensing

June 2025 - July 2025

Tripura Space Applications Centre (TSAC), under Tripura State Council for Science & Technology (TSCST)

- Worked with GIS and Remote Sensing techniques to collect, process, and analyze geospatial data for mapping and spatial analysis applications.
- Utilized spatial tools and satellite imagery to support data visualization, feature extraction, and interpretation for research and decision making.
- Collaborated with technical professionals to prepare maps, analyze spatial datasets, and document project findings, strengthening skills in geospatial analysis and technical reporting.

Community Development Intern | NGO, West Agartala , Tripura

2021

- Gained six months of field experience working with an NGO in rural areas of Agartala (West), Tripura, supporting community development initiatives.
- Conducted community outreach, field surveys, and stakeholder interactions to assess local needs and contribute to project planning and implementation.
- Collaborated with community members and project teams to prepare reports, document field observations, and support awareness and development programs.

Certificates

- | | |
|--|------|
| • Geospatial and Environmental Analysis - Coursera | 2023 |
| • Mastery of public speaking - NPTEL | 2021 |
| • Generation Welfare Society - G.W.S | 2021 |
| • An Introduction to Synthetic Aperture Radar (SAR) and Its Applications - ARSET | 2024 |
| • Certificate of Merit on: Geodata sharing and cyber security | 2024 |

Certifications

- | | |
|---|------|
| • Certification of 3D Modelling: Tools and Techniques -IIRS outreach programme - ISRO | 2026 |
| • Certification on Basics of Remote Sensing GIS and GPS system-IIRS outreach programme - ISRO | 2025 |

Technical Skills

Technologies: Ms Excel, PowerPoint, Ms Word, ARQGIS, QGIS, Google earth pro

Skills: Problem-Solving, Teamwork, Adaptability, Leadership , Content writing, Communication skills, Persuasive

Education

Lovely Professional University

MSC Geography — CGPA: 7.7

2024 – 2026

Phagwara, Punjab

Lovely Professional University

B.A Geography Honours —CGPA: 7.9

2021 – 2024

Phagwara, Punjab

Pranav Ananda Vidya Mandir, Agartala, Tripura, CBSE Board

12th — Percentage: 80%

2019 – 2021

Agartala, Tripura

ST. Paul's school, Agartala, Tripura, ICSE board

10th — Percentage: 70%

2018– 2019

Agartala, Tripura
